DEMOLITION DERBY RULES SUBCHAPTER 9

13:62-9.1 Demolition Derby Vehicles:

- a) In a demolition derby event, any stock, American made hardtop automobile may be used.
- b) In a demolition derby event, jeeps, carryalls, station wagons, ambulances, and other vehicles utilizing a truck chassis are not permitted. American made and foreign made stock, hardtop vehicles may participate in a compact car class with the following guidelines:
 - c) All glass, including rear windows, headlights, tail lights and parking lights, must be removed with the exception of the windshield. If the windshield is removed it must be replaced with heavy mesh screening with a center post or plexiglass.
 - d) All chrome strips must be removed from a participating vehicle.
 - e) Gas tanks may be moved to a different position within the driving compartment. Tanks relocated into the driver compartment must be placed in the vehicle where the back seat normally would be located, on the right side behind the front passenger seat. All tanks shall be constructed of steel (22 gauge minimum) or aluminum (16 gauge minimum). Tanks shall be restricted to a maximum capacity of five (5) gallons. Tanks shall be encased in a metal box that is bolted to the floor of the vehicle. The box shall have a metal lid that is fastened to the container. A metal fire wall must be between the driver and the gas tank.
 - f) Fuel lines and pumps will not be allowed in the driving compartment.
 - g) All doors must be securely fastened by either welding, metal strips, or chains.
 - h) Doors opening during an event will automatically disqualify that automobile.
 - i) Batteries located within the driver compartment must have a suitable cover and be securely fastened.
 - j) All vehicles must be equipped with a securely installed safety belt.

- k) Rear seats must be removed from a participating vehicle.
- l) No vehicle emitting heavy smoke will be allowed to participate. A vehicle discharging heavy smoke after an event has started must be disqualified.

13:62-9.2 Demolition Derby participants

- a. Participants in a demolition derby event shall be a minimum of 17 years old.
- b. A participant must remain in the vehicle until the event has been completed.
- c. All drivers shall wear a properly secured helmet which meets or exceeds the Snell Memorial Foundation Testing Standard SA.
- d. All demolition derby participants shall wear a properly secured head and neck restraint device / system and or a neck collar which are commercially produced and designed for racing.

13:62-9.4 Clothing Requirements

Drivers shall wear safety clothing to afford maximum protection to the driver according to industry standards. Fire Retardant underwear (long sleeve top and pants) is required. Fireproof one-piece race suit. Gloves must also be worn. Full face helmet required.

13:62-9.5 Demolition Derby Exhibition Area

- a. The demolition derby exhibition area shall be no more than 250 feet wide and 100 feet deep. Arena size will be adjusted by car count to ensure the safety of participants.
- b. The outer edge of the exhibition area shall be marked with Jersey barriers as to contain the participating vehicles.
- c. No one shall be allowed within this area except track officials and participants.
- d. The only persons allowed on the track around the competition area must be granted permission by Track Management.

13:62-9.6 Demolition Derby Tow vehicles

- a. Tow vehicles will be permitted to enter the demolition derby exhibition area for vehicle removal.
- b. There shall be no more than two persons per tow vehicle.
- c. No riders shall be permitted on the outside of the tow vehicle.

13:62-9.9 Speed Limits

THERE IS A 5 MPH SPEED LIMIT IN THE PIT AREA.

Driving through parking spots is dangerous and is not allowed.

13:62-9.10 Licensed Facilities

Demolition derby events shall only take place in a licensed facility.

Revised 11/3/22
