

# ***TURKEY DERBY XLIX***

## **LEGEND CAR DIVISION**

### **R U L E B O O K**

THE RULES BELOW ARE THE GENERAL GUIDELINES FOR ALL CARS  
THAT COMPETE IN THIS DIVISION AT TURKEY DERBY 2022.

IF THESE RULES DO NOT CLEARLY SAY THAT SOMETHING IS LEGAL, ASSUME THAT IT IS NOT PERMITTED.

WALL OFFICIALS RESERVE THE RIGHT TO ADJUST OR AMEND THE RULES IN THE BEST INTEREST OF  
SAFETY AND/OR COMPETITION.

TECH QUESTIONS? Call Rob Hyer at (732) 824-4507

## **REQUIRED SAFETY EQUIPMENT**

- The use of a HANS DEVICE or Hans-like device is MANDATORY. 5 year expiration.
- 5-point Harness MANDATORY. SFI 38.1 Belts good for 2 years.
- Full face Helmets are MANDATORY. Must have Snell SA 15 or newer sticker. NO motorcycle M Helmets.
- Driver must wear a one piece fire suit and flame retardant underwear. Both must be in good condition, no rips or holes! SFI 5. Driving gloves and driving shoes required.
- Full containment seat not mandatory for this traveling division.
- Fire Extinguisher MANDATORY. Unused and fully charged at all times.
- Seat Belts expire 2 years from manufacture date. Make sure you are current!
- All other New Jersey State Safety Regulations MUST BE STRICTLY ADHERED TO.
- INEX License not required.
- All rules enforced per most current INEX Rulebook and amendments or revisions.
- As per INEX recommendation, the track will mandate all competitors to use the same gasoline source. This will be Premium 93 Octane fuel from the Wawa on Route 34 North (5 minutes from the track, by the circle). You must present your receipt to compete. Random fuel samples will be taken frequently.
- Jersey Kit not required.

- All racers must be at least 16 years old to race (with NJ State Police approval) and at least 16 years old to enter pit area. Valid ID required. Birth Certificate, Driver's Permit or Driver's License acceptable.
- Heat race line ups will be determined by a pill pick upon check in.
- The race track reserves the right to determine Rookie status of all competitors.

## **RACECEIVER FREQUENCY 467.8125**

**ALL CARS MUST PASS A GENERAL SAFETY AND TECH INSPECTION BEFORE GOING OUT FOR PRACTICE.**
