

2024 TIRE BANK RULES

MODIFIED

Modifieds will run tire compounds Hoosier M20 and M30. Tires must be purchased at Wall Stadium Speedway UNLESS the speedway runs out of supply. If that happens, further instructions will be given.

Cars that start the season on the first race will bank 6 stickers and buy a maximum of 3 tires per race as long as supply allows.

Cars that start the season on the second race will bank 4 stickers and then buy a maximum of 3 tires per race.

Any cars that show up at any other time during the season, after the first 2 races, will bank 4 stickers and 2 scuffs; and then buy a maximum of 3 tires weekly.

The 3 new weekly tires do not need to be bolted to the car for that race. You may run whatever tires you have whenever you want, as long as the tires ran for group qualifying and the feature are in your bank. Spot checks will be done from time to time.

2 flats or damaged tires may be reported for a new one next week. Flats and/or damaged tires MUST BE REPORTED TO THE PIT STEWARD OR PIT OFFICE AND APPROVED BY THE END OF THE NIGHT BEFORE STAFF AND RACE TEAM LEAVES THE VENUE.

ALL TEAMS must be on top of tire sheets! DO NOT FORGET TO TURN THEM IN BEFORE THE FEATURE. *Warning! Tires may be checked to make sure they are banked tires before the feature.*

All cars caught running tires not in their bank will be disqualified for that race event; no points no payout!

The established tire bank belongs to and travels with the driver, not the car.

Long distance races will be single points and will have their own tire rules on the Event Rule Sheet.

TIRE BUYING IN 2024 WILL BE LOTTERY STYLE. SEE SEPARATE TIRE LOTTERY GUIDELINES.

2024 TIRE BANK RULES

SPORTSMAN

Sportsman cars will run compound 1057. Tires must be purchased at Wall Stadium Speedway.

Bank 6 to start the season, and buy a maximum of 2 tires per race.

The 2 new weekly tires do not need to be bolted to the car for that race. You may run whatever tires you have whenever you want, as long as the tires run for the feature are in your bank.

2 flats or damaged tires may be reported for a new one next week. Flats and/or damaged tires **MUST BE REPORTED TO THE PIT STEWARD OR PIT OFFICE AND APPROVED BY THE END OF THE NIGHT BEFORE STAFF AND RACE TEAM LEAVES THE VENUE.**

All cars caught running tires not in their bank will be disqualified for that race event; no points no payout.

The established tire bank belongs to and travels with the driver, not the car.

The 50 lap race August 31 will be single points. Tire rules will be determined a few weeks before the feature and based off of tire availability.

FACTORY STOCK

Factory Stocks will run compound 850 and/or 790 according to supply. Tires must be purchased at Wall Stadium Speedway.

Bank 4 to start the season, and 1 tire can be purchased every other race.

2 flats or damaged tires may be reported for a new one next week. Flats and/or damaged tires **MUST BE REPORTED TO THE PIT STEWARD OR PIT OFFICE AND APPROVED BY THE END OF THE NIGHT BEFORE STAFF AND RACE TEAM LEAVES THE VENUE.**

All cars caught running tires not in their bank will be disqualified for that race event; no points no payout.

The established tire bank belongs to and travels with the driver, not the car. The long distance races will be single points. Tire rules will be determined a few weeks before the bigger feature events and based off tire availability.
